Director of Communications

5 APR 1958

Contract [] Task Order 3

50X1

1. [] is developing for this Office under [] Task Order 1, a series of transmitter modular sub-assemblies. This development has progressed to a point at which design of companion receiver sub-assemblies, possessing the same unique features as the transmitter units, may be profitably undertaken, and the contractor has been asked to submit a proposal covering such work. His proposal and price analysis, a copy of which is attached, has been evaluated by this Office and is considered satisfactory.
